Dear Sir or Madam

Please quote OCR Application No. 21866 on all correspondence

I am writing on behalf of Oxford Cambridge and RSA Examinations (OCR), to inform you that your material has been selected to appear in a forthcoming exam.

We would like to request permission to use the material (described in the attached form), in an electronic format via our website after the exam has been sat. The exam paper will be made available online for two years, from October 2010 until September 2012. In addition, we are sometimes asked for a printed copy of the exam paper which we make available on request for a nominal administration fee of up to £2 and therefore we would like to request print rights for this purpose. The papers would be on sale from March 2010 until February 2012.

Additionally, there is a small possibility that your material may be used as part of one of our INSET training courses. These are non-profit courses designed for training teachers in our exam specifications and are for educational purposes only.

Use of the copyright material in the examination itself is exempt from requiring authorisation (as laid out in the Copyright, Designs and Patents Act, 1988 (UK), Chapter III, Section 32, Paragraph 3.)

When considering granting permission, it may help you to know that OCR is an exempt charity and as such a not for profit organisation; it is a subsidiary of the University of Cambridge Local Examinations Syndicate.

To grant permission, please sign where indicated in the attached form and return a copy of it, together with any contract that applies and any acknowledgements required, at your earliest convenience. Please accept my apologies if this is not the correct contact address to deal with this request; in this case I would be grateful if you could suggest an alternative contact.

I look forward to hearing from you shortly.

Yours faithfully

Lloyd Jeeves

21866 – The Exam Text (78 words)

We feel that this so-called Alcatraz Island is more than suitable for an Indian reservation, as determined by the white man's own standards. By this we mean that this place resembles most Indian reservations in that:

1. It is isolated from modern facilities, and without adequate means of transportation.
2. It has no fresh running water.
3. It has inadequate sanitation facilities.
4. There is no industry and so unemployment is very great.
5. The population has always been held as prisoners and dependent upon others.

From the Proclamation issued by Native Americans who occupied Alcatraz Island on 9 November 1969. Alcatraz Island in San Francisco Bay had once been the site of a famous high security jail.
